You are invited to attend our

Mock Disciplinary Investigation and Hearing

Handling investigations in a school setting.
How to ensure your investigation process is fit for Employment Tribunal.

Wednesday 21st November, 8.30am - 11.15am
Education Partnership Trust, Pleckgate Road, Blackburn, BB1 8QA

Forbes Solicitors Education team in association with The Education Partnership Trust, are delighted to invite you to attend our interactive session on handling investigations based in a school setting.

The prospect of going to an employment tribunal can be daunting. Therefore, how you undertake an investigation and conduct a disciplinary hearing is crucial to ensure that any risk to your school is minimized, and limits any impact on your school and the pupils. Our Mock Investigation and Hearing will demonstrate a realistic insight into the workings of a disciplinary case in a school setting to demonstrate the issues unfolding, including the investigation meetings and disciplinary hearing. There will be the

opportunity for discussion about the decision and evidence with learning points throughout where we will discuss best practice in preparation for Tribunals.

This is an event that is designed for anyone with staff management responsibilities, including Headteachers, Senior Leadership Teams, School Business Managers and School Governors.

The morning's events will include;

08.30am	Registration and refreshments
09.00am	Introduction
09.15am	Mock investigation and hearing
11.00am	Questions
11.15am	Close
